

TEMPEST IBM NOTEBOOK COMPUTER DTD-T60-101A

Thin Profile, High Performance, Vista™ Compatible

The DTD-T60-101A TEMPEST Notebook Computer has a base configuration of an Intel® Centrino Core Duo 2.0 GHz processors, 1GB RAM, 2 USB ports, CD-RW/DVD ROM drive, 8GB solid state hard drive, and 15" XGA TFT display. To keep the open profile low without reducing the screen size or I/O options, a special I/O block is added which also includes a VDC 600 communications port.

The Intel® Centrino Core Duo 2.0 GHz processors provide industry leading performance to support critical applications and the Microsoft Vista™ Operating System.

Built and tested to meet the following TEMPEST standards:

- NSTISSAM 1-92 Level I
- AMSG 720B

KEY FEATURES

Processor:
